MEMORANDUM FOR HEADS OF EXECUTIVE DEPARTMENTS AND AGENCIES

FROM: KIRAN A. AHUJA, DIRECTOR *Kiran A. Ahuja*

Subject: Combined Federal Campaign Update

Dear Colleagues,

Earlier this month, OPM opened the 2023 solicitation period for the Combined Federal Campaign (CFC), officially kicking off the Campaign. If you have not already appointed national and grassroots leaders to spearhead fundraising efforts in your department or agency, I urge you to do so as soon as possible.

I extend a special thank you to the Honorable Michael Reagan, Administrator of the U.S. Environmental Protection Agency (EPA) for joining me as the honorary co-chair of this campaign. You can share this [Campaign Kickoff PSA video](#) with your employees as we launch the campaign.

The 2023 edition of the CFC features further enhancements to the cybersecurity of the CFC system, including full integration with Login.Gov, and an updated list of more than 4,600 charities vetted by national and local government leaders.

The devastation of multiple natural disasters continues to shock and sadden us all due to the loss of life, property, history, and culture. Donating through the CFC is an excellent vehicle to support charities on the ground helping communities rebuild and providing long-term relief.

The solicitation period will remain open until January 15, 2024, to collect contributions and pledges from Federal employees and retirees. Your leadership and support are essential to the CFC's success. The CFC is the world's largest employee workplace charity campaign, and since its inception, Federal employees, active-duty military members, postal workers, and retirees pledged nearly \$8.7 billion to their favorite causes. We look forward to a successful year of charitable giving through the CFC!

If you have any questions, please email cfc@opm.gov or call (202) 606-2564. Thank you in advance for your continued support Combined Federal Campaign.
